Profile Summary

Postdoctoral Researcher in Computer Science (Ph.D., IIIT-Delhi, 2024) with research expertise in Reinforcement Learning, and Spatial Data Mining. Experienced in both undergraduate and graduate teaching, applied AI research, and scholarly publication. Currently involved in applied research within a federally funded research environment, with an emphasis on methodological rigor, external funding readiness, and real-world impact.

Education

- **Ph.D., Computer Science & Engineering**, IIIT-Delhi (2024), CGPA: 8.11
- **M.Tech., Computer Science & Engineering**, NIT Hamirpur (2012), CGPA: 7.76
- **B.Tech., Information Technology**, JNTU Hyderabad (2010), 73.61%

Publications (Peer-Reviewed)

- [1] **Baride, S.**, Rizk, R., and Santosh, K. C. (2025). *Reinforcement Learning Explained*. CRC Press | Taylor & Francis. ISBN: 9781041252993. (Accepted)

Preprints and Under Review

- [1] Santosh, K. C., **Baride, S.**, & Rizk, R. (2026). *AI-CARE: Carbon-Aware Reporting Evaluation Metric for AI Models*. arXiv:2602.16042 [cs.LG]. Submitted to IEEE Conference on Artificial Intelligence (CAI 2026). <https://arxiv.org/abs/2602.16042>

Academic and Professional Appointments

- **Postdoctoral Researcher**, University of South Dakota (2025–Present): AI/ML research leadership, publications, grant writing, mentoring.
- **Visiting Assistant Professor**, University of South Dakota (2024–2025): Instructor of Record for AI, Reinforcement Learning, and Data Mining.
- **Digital Innovation Engineer Data Science**, Buckman (2023–2024): Developed AI-driven industrial applications, data strategy, and automation.
- **Senior Project Fellow**, CSIR-CMERI (2015): Cloud infrastructure deployment and private cloud development.
- **System Engineer**, Infosys (2013–2014): Enterprise server operations, monitoring, and automation for GAP Inc.

Graduate and Undergraduate Instruction

University of South Dakota (USD)

Vermillion, SD

Instructor of Record (Graduate-Level Courses)

- **CSC 547 Artificial Intelligence** (Graduate), Spring 2025
- **CSC 724 Applied Reinforcement Learning** (Graduate), Spring 2025
 - Taught three sections: U15, U17, U19
- **CSC 792 Topics in Advanced Data Mining** (Graduate), Summer 2025

Assisted Teaching (Under Instructor of Record)

- **CSC 785 Information Storage and Retrieval** (Graduate), Fall 2025
- **CSC 787 AI in Medical Imaging Informatics** (Graduate), Summer 2025

Indraprastha Institute of Information Technology Delhi (IIIT Delhi)

Delhi, India

Teaching Assistant

2016–2020

- **CSE530 Distributed Systems** (Graduate), Winter 2016
- **CSE101 Introduction to Programming** (Undergraduate), Monsoon 2016, Monsoon 2017
- **CSE510A Big Data Analytics** (Graduate), Winter 2017
- **DES130 Introduction to Engineering Design** (Undergraduate), Winter 2018
- **ENG599s Research Methods** (Graduate), Winter 2019
- **CSE231 Operating Systems** (Undergraduate), Winter 2020
- **CSE600A Object Oriented Programming and Design** (Graduate), Monsoon 2020

Faculty Training & Professional Development

USD

- Online Faculty Community Faculty Orientation
- Digital Accessibility Training

Awards and Fellowships

- Visvesvaraya Ph.D. Fellowship (2016–2020), Govt. of India.
- MHRD Scholarship (2010–2012) for M.Tech.
- Best Project National Children’s Science Congress (2003).

Invited Talks

- Beyond Boundaries: Advancing Colocation Pattern Mining in Spatial Data. Brown Bag Lecture, USD (April 29, 2025)

Professional Service (Peer Review and Program Committees)

- Reviewer, IEEE Conference on Artificial Intelligence (CAI), demonstrating service to the AI research community.
- Program Committee Member, 4th International Conference on Artificial Intelligence and Smart Data Science (AISDS 2025).
- Reviewed a research manuscript for *GeoInformatica* (2025), demonstrating subject-matter expertise in geospatial computing and contribution to academic peer review.
- Technical Program Committee member, 7th Artificial Intelligence Symposium, June 26–27, 2025.
- Mentored multiple reinforcement learning projects as part of the Applied Reinforcement Learning course, guiding students through practical implementation and research thinking.

Outreach, Service & Leadership (Student and Community Engagement)

- **Art of Living Foundation** (2012–Present): Provided long-term leadership in student and community well-being initiatives by organizing and delivering 100+ structured SKY and meditation programs; supported stress management, resilience, and mental wellness across academic and professional environments.
- **Indraprastha Institute of Information Technology Delhi (IIIT-Delhi)** (2016–2020): Founded and led the Student Wellness & Meditation Club; designed recurring wellness sessions, coordinated student volunteers, and established a sustainable, peer-led campus well-being program.
